RE: **Revised Educational Objectives**

The California Department of Insurance (CDI) recently approved the Commissioner-appointed Curriculum Board's revisions to the following Educational Objectives (EOs):

- Property
- Casualty
- Personal Lines
- Limited Lines Automobile Agent
- Commercial Insurance

The revised EOs include new curriculum on wildfire and pet insurance laws, which are available on CDI's [Prelicensing Educational and Examination Objectives](#) webpage.

On Monday, December 6, 2021, CDI will launch updated license examination questions based on the revised EOs. To prepare students for the updated questions, prelicensing education providers who have active property, casualty, personal lines, limited lines automobile agent, and/or commercial insurance prelicensing courses are required to update their training material and begin teaching from the revised EOs on or before **Monday, November 15, 2021**.

Instructions for Renewing an Existing Prelicensing Course to Meet the New EOs

Due to the substantial revisions made to these EOs, prelicensing education providers must submit their updated course curriculum at the time they renew these courses.

The following are the required items to be submitted to CDI:

- 1) A completed provider course renewal letter;
- 2) A renewal filing fee of \$41 for each course;
- 3) Updated prelicensing course materials; and,
- 4) A document that cross references your updated training material to the revised EOs to ensure the course renewal can be processed in a timely manner.
